**World Wine Bottle &
 Packaging Solutions**
 1370 Trancas Street, Napa, CA,
 United States, California

World Wine Bottles & Packaging Solutions was established in 2010 by Neil Sodeff & Martin Foigelman to fill a void in the distribution of wine bottles & spirits in the marketplace for small to medium sized wineries. Over the 13 years, we have grown to handle any size winery or distillery. We offer both USA manufactured glass and overseas as alternative options.
