 GLASS WEIGHT, FILL POINT, SPECIFICATIONS AND DIMENSIONS ARE SUBJECT TO CHANGE FOLLOWING PRODUCTION OR UNIT SAMPLING
 THIS CONTAINER IS NOT DESIGNED FOR INTERNAL PRESSURE.

World Wine Bottles & Packaging Solutions was established in 2010 by Neil Sodell & Martin Fogelman to fill a void in the distribution of wine bottles & spirits in the marketplace for small to medium sized wineries. Over the 13 years, we have grown to handle any size winery or distillery. We offer both USA manufactured glass and overseas as alternative options.
